

# Three Way Triple Action T3 Faucet Tap

The new Dual Mixer is a sink mixer and filtered water tap all-in-one and offers new levels of function and simplicity in the kitchen.

An elegant, dual handle mixer, the T3 serves hot and cold mains water from the big handle, and filtered tank/mains water from the small. There are two outlets, one for mains and one for filtered. because there are two separate tubes inside the unit, there's absolutely no mixing of sources.

## Technical Specifications

Tap Hole Size: 33mm  
Supply Pressure: 500kPa maximum  
Hot Water Temp: 60°C  
Supply Fittings: 1/2" and 1/4" braided
