

W2W FAUCETS FOR UNDER SINK FILTER SYSTEMS

Most of our mains fed under sink water filter systems come with a free slimline faucet for your sink top.

You can choose to upgrade to a designer faucet from our extensive range to complement your kitchen and decor.

Water2water's range of sink top taps and faucets are high quality and easy to use.

Call our friendly team on [1300 880 303](tel:1300880303) for details.
